REPORT OF SUPERINTENDENT

The Berkeley County School District is proud to announce many outstanding achievements, including increasing our graduation rate from 67% to 75% with 1,781 graduates. Our graduates earned \$29,182,446 in academic and athletic scholarships in 2012, surpassing last year's record by 17%. Among our graduates were two National Merit Scholars, 53 Palmetto Fellows; 417 Life Scholars and 114 Hope Scholars.

The District made Adequate Yearly Progress (AYP) in 35 of 37 federal objectives this year. On the PASS, we achieved gains in 17 of the 26 target areas, and surpassed the state average in 21 of 26 areas. Our ACT scores rose for the fifth straight year and our SAT scores increased.

School highlights include Marrington Middle School of the Arts being one of eight schools nationally to receive the Making Middle Schools Work Award for Depth of Implementation. The school was also nominated as our second National Blue Ribbon School of Excellence; the first middle school in the state to have been nominated in a decade. Additional highlights include: Hanahan Middle won the national Lexus Eco Challenge for the third year in a row; Berkeley Elementary was one of 25 agencies in the nation to be selected as a National School of Character; five more of our school counseling programs were recognized as National ASCA Program Models, bringing the District total to 12, the most of any District in S. C.; twenty-nine of our schools received Palmetto Gold and Silver Awards, eight more than received awards last year; Berkeley County Middle College graduated its first class of students; 2 of whom earned Associates degrees from Trident Technical College before they earned their high school diplomas; Berkeley High finished its first year offering International Baccalaureate Programme classes; H. E. Bonner Elementary unveiled their Academy of the Arts; Whitesville Elementary opened the doors to its new Montessori Program; the Evening High School Program allowed 300 students to complete credit hours towards graduation; and one hundred percent of District staff was trained in sexual abuse recognition and prevention by Darkness to Light.

Looking to the future, the district will begin implementing the Common Core State Standards (CCSS) that have been adopted by 45 of the 50 states and will continue its focus on the areas of literacy, STEM education, and community engagement.
